2023 ISRAEL TRIP INFORMATION

DATES OF TRIP

Wisdom In Torah has a trip scheduled for Israel for **November 12-26, 2023**.

- We reserve the right to deny anyone from joining this trip through FOTW.

FINANCIAL DETAILS

- They require a \$500 non-refundable deposit to guarantee your spot. The \$500 will be applied to your final bill. IF you are traveling with FOTW, we will need the deposit amount to guarantee your spot as soon as registration opens.
- If you want to guarantee that you will be traveling with Pastor Richard and Alpha Cortes in this trip, you will need to register through our organization with the \$500 non-refundable deposit (when registration opens).
- The organization is estimating the total cost for the trip to be \$5500, so please plan accordingly. This price is not the final amount. As the dates get closer, they will notify us of the actual total amount, when that happens, we will update everyone.
- Wisdom In Torah **requires to receive the full payment amount 90 days before the take-off date.** (Date to be announced)
- Once you have registered with us, we will provide you with further travel details: times, dates, and locations as we receive them.
- Note: if we have enough people attending the tour, W.I.T. will make arrangements for us to fly out of PHX. W.I.T. will include the airline fee in the final cost to and from Arizona to the connecting flight where the plane to Israel takes off from. This will increase the cost closer to \$6000.

TERMS OF AGREEMENTS

- Wisdom In Torah have their terms and agreements listed on their travel site. Please keep in mind, their website is updated for the current trip they have planned. The prices are not reflecting future travel plans. We encourage you go to their website to read those terms. If you agree to those terms, when time gets closer to our travel dates, FOTW will send you a link, where you will sign agreeing to those terms and pay the remaining balance.
- If you are electing to use FOTW Escrow program, you will need to sign and agree to those terms before giving the \$500 non-refundable deposit.
- If you are **NOT** going to use FOTW Escrow program, you may make the \$500 non-refundable deposit as soon as registration is open to guarantee your spot or choose to pay for the trip at that time.
- Escrow accountholders: the full amount for the trip needs to be in by the 90-day cutoff date to FOTW.
